

DISCOVER FERGUSON

Let your mind wander at our exceptional schools.

For more than a century, Ferguson has been committed to providing quality education for students both young and old. Today the city is home to a number of quality learning institutions, with several other excellent schools just beyond its borders. Ferguson is also the site of the Challenger Learning Center, a unique educational facility sponsored by the Ferguson-Florissant School District and the St. Louis Science Center, where visitors can experience the wonders of outer space through state-of-the-art NASA mission simulators.
